 Quality the World Trusts

Mr. D.P. Garg
Chairman

We hold single source responsibility to manufacture full range of steel and stainless steel door hinges / fittings & fasteners with quality production and customised packaging, full customer satisfaction and continuously evolving new and higher standards of performance in terms of consumer demands, interests, timely delivery and competitive prices.

We are always willing to offer best services and sincere support to our valued customers. Our quest for quality and customers orientation is a ceaseless one.

Customer satisfaction is our motto...

Mr. S.M. Garg
Managing Director

Mr. S.M.Garg, an enterprising torch bearer, is expanding the companies's horizon with his innovative ideas by generating all round glory and diversifying into a group. The group is wholly owned by Garg Family. Under the dynamic supervision and guidance of Mr. S.M. Garg, the Group has ten fully integrated manufacturing units of Builders Hardware with latest technology machines and highly professional manpower capable of executing any task as per the customer's requirements.

Group Profile

In year 1948 the Group Chairman Mr. D.P. Garg started the company's journey into the world of hardware trade as a trading company in Delhi. With his vision, dedication, commitment, business ethics and in-depth knowledge of products the company continued its steady growth into a big distribution house with big list of satisfied customers across length and breadth of the country.

In year 1972 Mr. D.P. Garg was joined by his dynamic and enterprising son Mr. S.M. Garg who like his father inherited the same traits and his wish for technical innovation continued the company's growth in 70's. In 78-79 the company sales reached a point where it became necessary for the company to set up its own production facility, a task that Mr. D.P. Garg entrusted to Mr. S.M. Garg. In year 1980, the first of group manufacturing facility was established and came into production, thus opening new horizons for companies future growth.

Some Milestones In Group's History :-

- * In 1948 Mr. D. P. Garg starts trading company which continues steady growth.
- * In 1972 his son Mr. S. M. Garg joins the company.
- * In 1980 D. P. Garg & Co. starts manufacturing door fittings.
- * In 1983 D. P. Garg & Co. gets its first ISI license in mild steel hinges.
- * In 1989 The company starts export to European market.
- * In 1991 The company starts SS hinge production and gets first ISI license in India for SS Hinges.
- * In 1992 Mr. S. M. Garg is appointed as a member of the ISI advisory committee.
- * In 1998 D.P. Garg & Company gets "ISO 9001:2000" certification.
- * In 1998 D.P. Garg & company becomes a government recognized export house.
- * In 1999 the company receives national export award in builder's hardware from the then Hon'ble Prime Minister of India Sh. Atal Bihari Vajpayee.

- * In 2012 first Laser Marking machin in house.
- * In 2013, continuing its efforts for adding the Product range,production facility for Zinc die cast Handles, Latches, Locks & other Architectural Hardwares like SS Lever Handles, D Pull Handles, Signages etc. Investing more then \$ 2 Millions in modernising plant .

The export division consists of following infrastructure

*Total covered area for export division 2,00,000 Sq. Feet

*5 cold rolling Machines

*8 power generators of 1000 KW.

*150 Power Presses (5 To 250 Tons)

*8 batch type power coating units

*In house Mechanical and chemical test Lab

*In house skin, blister, printed polybags, customised packing facilities.

*1500 dedicated manpower

*In house facility to manufacture different types of superior quality screws and nails to support prepack

*Warehouse facility of appx. 40,000 sq. feet.

*In house pallet making and loading facility

*In house zinc plating facility

*In house brass plating facility

*In house chrome plating facility

*Electro-phoretic lacquer coating

*In house modern tool rooms containing following latest technology machines :

-3 CNC wire cut Machines

-1VMC Machine

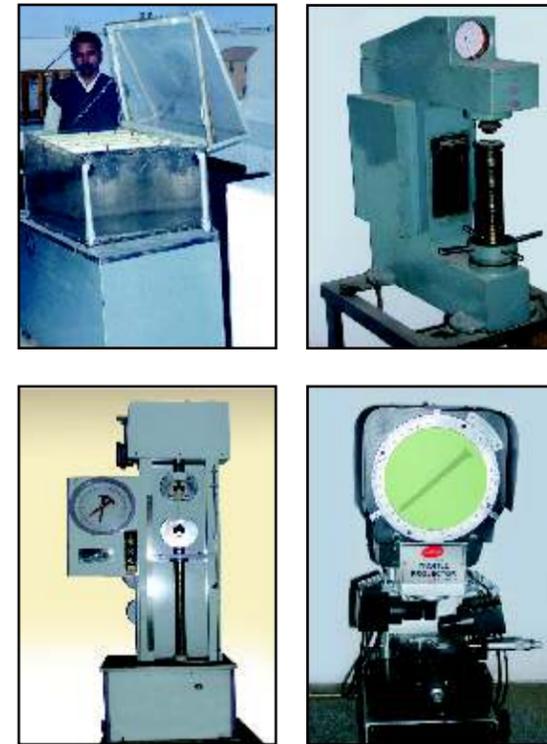

-2 EDM Machines

-1 EDM drill Machine

and many more conventional machines

*In house 2 zinc die casting machines

*In house tube bending machine with latest innovation

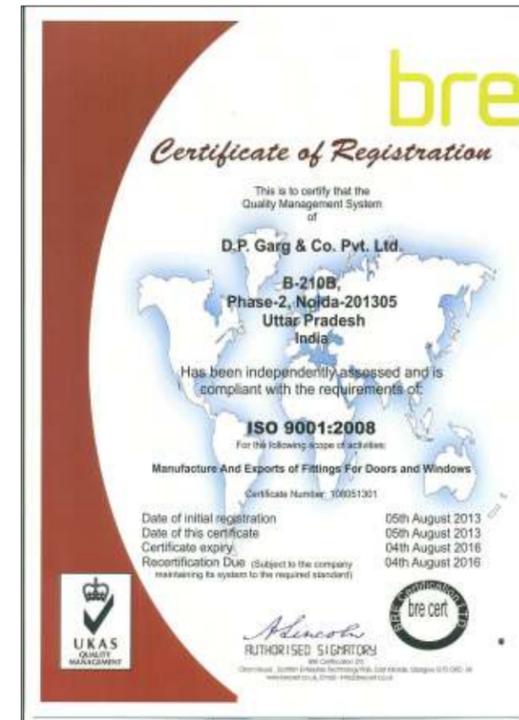

- *In house tensile Machine
- *In house hardness testing machine
- *In house salt spray test chamber
- *In house making of labels barcodes & their scanning to ensure readability & correctness.
- *In house profile projector
- *CE-13,Certification for stainless steel ball bearing hinges
- *An ISO 9001 : 2008 , 14001 : 2004, 18001 : 2007 Certification Company.
- * export in 25 countries
